Shifting Media Marketing Trends

Traditional

Current magazines

Limited to a small audience of readers that are expensive.

Printed Brochures and Flyers

Obsolete and wasteful thrown away and ends up in the bird cage

TV & Radio

Does not target the specific audience
Expensive and hard to gain return on investment

New

Mobile viewership anytime any place

Search engines leading the economy

Online Presence and Geo tags makes thing near

Micro Market places makes it local and efficient

Cloud Technology eliminates the clutter

Market driven business with flexibility

Online reputation is the most trusted today

Socia Media revolution is changing the world
